

Product Description

CE 700c Electric City Bicycle bike (JSL038S) scooter

I. Product Description

- 1) Motor: 250W Rear Brushless Motor
- 2) Battery: 36V 10Ah Lithium battery
- 3) PAS & displayer: 5 PAS with LCD Display
- 4) Controller & sensor: 6 tubes intelligent brushless
- 5) Charger: AC 100V -240V 2 / 3/ 4 amps, HIGH POWER
- 6) Frame: 6061 Aluminum alloy 26"
- 7) Tyres: 26*2.125 KENDA
- 8) Front fork: Al alloy fork
- 9) Brake: Front /Rear disk brake
- 10) Color: According to your requirments

II. Specification

Motor	250W rear brushless motor	Brake lever	Al alloy with power off when braking
Battery	36V 10AH Lithium battery	Chain wheel	42T*170 ,al alloy crank
PAS & displayer	3 PAS & LED displayer	Rear rack	Strong alloy rack with battery casing holder
Controller & sensor	6 tubes intelligent brushless	Saddle	City style saddle
Charger	AC 100V -240V 2 amps	Seat post	Alloy with CNC
Charging time	3-6 hours ,12 month warranty	Chain cover	steel
Throttle	No throttle (optional)	Lighting	Front & rear light. LED
Frame	6061 aluminium alloy. 26	Max speed	25KM/H
Tyres	26" *2.125	Range	40--60KM with 36V/10AH li-ion battery (PAS).
Rim	Al alloy		40--110KM range depends on battery capacity
Front fork	Al fork	Max load	150KGS
Brake	Front /Rear Disk brake	G. W. /N. W.	32/26KGS
Speed gears	Shimano 6--speed	Packing size	150x 26x 87 CM
Rear derailleur	SHIMANO TX-35	Container load	78pcs/20ft container, 173pcs/40HQ container
